Enhanced BrDR License Mechanism

AASHTOWare™

🏛 **BRIDGE**
DESIGN AND RATING

Legacy License Mechanism

- Install BrDR -> "Unlock" -> Send user codes to support
   -> Wait! -> Enter codes provided by support

Legacy Limitations

- Time consuming to activate
- Difficult to transfer
- No floating license
- Difficult to change license
- No way to remotely extend license without reactivating

Application Licensing Error ✕

⚠ Transfer failed - Error #0
(FALSE CONDITION)

OK

DESIGN AND RATING
Modernized License Mechanism

- Big improvement!
  - Easier and faster to activate
  - Floating license! Install and activate as needed.
  - Easy to reactivate or extend
- Still limited…
  - Difficult to "deactivate" or switch licenses
  - Each instance of BrDR or 3rd Party Application takes a seat

Future License Mechanism

New Manage License Window

Future License Mechanism

Advantages

- Easy to switch, activate and deactivate

- Multiple instances only occupy one seat
